

# LOTUS - A BALI-STYLE COTTAGE

# The Bedroom

**Inspired by the beautiful Lotus Flower that signifies connection & liberation, this room offers a beautiful connection with nature with its naturally-made furniture & decor & soothing pink hues...**

# Living Room

**Experience conscious yet aesthetic living with the Lotus living room, adorned with handmade wall lamps, mirror, shelf & recycled fabric curtains, offering a surreal natural experience!**

# Bali-style Nature Bath

**A beautiful Bali-style bath welcomes you with a young Guava tree, a tree bark basin, recycled bucket flowers pots & a shower head made from a repurposed watering can!**

**The cottage has an additional attached toilet & bath also.**

# Naturally made

**All MATTRESS & PILLOWS are made with PURE COTTON FIBRE & upholstered with COTTON LINEN, ensuring there's no chemical element in your natural environment...**

**The cottage structure is made cement-free, using Vedic plaster & paint made of natural materials, offering thermally insulation & better air quality & chemical-free!**

# Natural decor elements

Each piece of **HAND-CRAFTED DECOR** has a story to tell

The **SHELVES, MIRRORS & LAMPS** are made from farm-grown teak wood

The **T-LIGHT HOLDERS** made with leftover bamboo pieces,  
& Bohemian tasseled **CURTAINS** fashioned out of old sarees
